Technology connects. People care.

CareSync DiaBuddy Technology & Career Connections 2027

FREE virtual open house • January 15–16, 2027

10 AM–5 PM Eastern / 9 AM–4 PM Central

CareSync Career Services • Ken Sternfeld, Registered Pharmacist

An open door to opportunity

Make technology useful, care personal and careers purposeful.

Discover connected tools with practical demonstrations.

Connect learners, mentors, employers and resource providers.

Leave with a resource, a contact and a next step.

Two days. One connected family.

A Renew Your Vows-style virtual open house.

Friday: technology, professional skills and career pathways.

Saturday: families, prevention and service opportunities.

30 minutes of content + 30 minutes of dialogue each hour.

Explore the technology

A discovery program with qualified guest educators.

CGM, pumps and connected platforms: categories and questions.

Remote-care workflows: onboarding, education and follow-up.

Invited guest experts and exhibitor participation remain pending.

Pharmacy with a purpose

CareSync Career Services turns interest into a next step.

DSP pathways and the uRecruits registration route.

Student projects, transferable skills and mentor conversations.

ACSP leadership interests and employer introductions.

CareSyncIN: passion + purpose

A moderated connection café for our family of givers.

One passion. One skill. One question.

Students, mentors, caregivers and employers connect in small groups.

Ask permission before sharing details or making introductions.

Prevention to connected care

The DiaBuddy Journey connects the whole experience.

One-minute risk test → DPP information → DSP service → connected care.

NeedyMeds, Diabetes Foundation and BodySite public-resource tours.

Eligibility varies; private clinical questions go to licensed professionals.

Friday • January 15

Technology and career pathways

10 AM — The human connection in diabetes technology

11 AM — CGM, pumps and connected tools: a guided discovery

12 PM — Remote care in action: the concierge workflow

1 PM — CareSyncIN networking café

2 PM — Career lab: pharmacy with a purpose

3 PM — Innovation showcase and access clinic

4 PM — Your next connection: DSP and ACSP pathways

Saturday • January 16

Families, prevention and opportunity

10 AM — Meet your DiaBuddy: technology with a human touch

11 AM — Know your risk. Choose your next step.

12 PM — Tools that fit everyday life

1 PM — CareSyncIN family connection café

2 PM — Meet the DSP: personalized concierge conversations

3 PM — Opportunity fair: learn, serve and connect

4 PM — Leave with a plan, stay with the family

Build the opportunity fair

Invite partners to contribute practical value.

Technology educators: a useful demonstration and questions.

Employers: transparent role descriptions and an introduction path.

Mentors: skill feedback, encouragement and next-step conversations.

The next generation belongs here

DiaBuddy PharmDEBT Relief Fund

Introduce the fund and student service projects.

Keep optional giving separate from free admission.

Publish approved fund eligibility and distribution terms before fundraising.

Register free. Stay connected.

One registration for either day or both.

Register through the existing uRecruits DSP pathway.

Add “CareSync Tech 2027”; email DiaBuddy@CareSyncConcierge.com if needed.

CareSync sends the Zoom invitation. No DSP job acceptance required.

Prepare, host, reconnect

A concrete organizer plan.

Confirm guests, demonstrations, moderators and accessibility.

Rehearse rooms, registration handoff and Zoom access.

Follow up with permission and invite the next useful conversation.

Reference model and event identity

Original CareSync program, researched October 6, 2026.

Reference: ADCES conferences and DTC2027 exhibit information.

Our agenda, titles, career café and materials are original.

Independent event; no ADCES affiliation or CE/CME claim.
